## ABOUT US

# MOSTECH BUSINESS SOLUTION

Since our inception with a few creative minds in 2018, MOS has evolved into a leading software development company in the UAE and India. Our expansive and innovative team consistently delivers on our mission, tackling technically challenging projects under tight timelines while providing exceptional customer service and support. This dedication has fostered extremely positive long-term working relationships worldwide.

Our meticulous project process ensures that each project is completed on time, within budget, and to our clients' complete satisfaction. Over the past few years, we have built a reputation for developing applications that not only look great but are also user-friendly. We empower you to explore advanced technologies that minimize effort and maximize ROI.

### Our Mission

To deliver world-class digital solutions across industries, maximizing growth and value for both our clients and our business.

### Our Vision

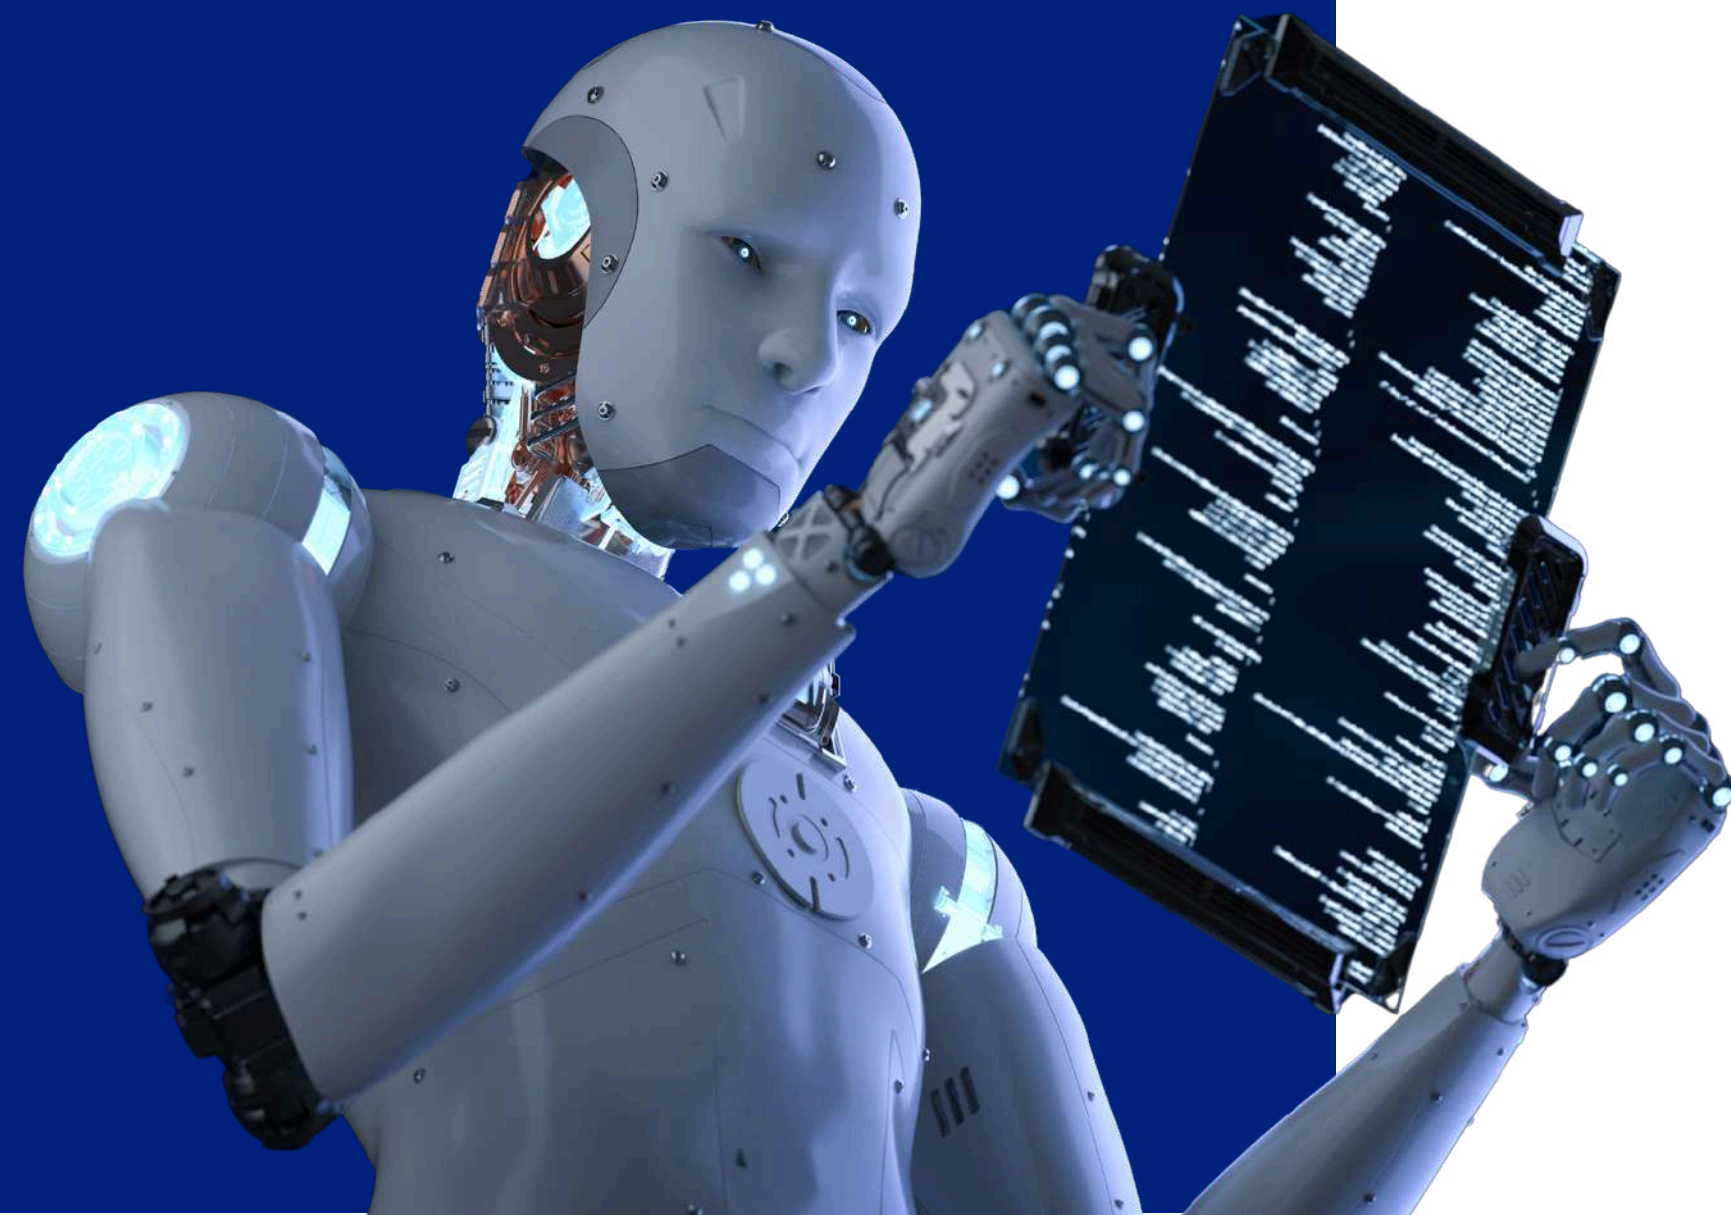

To be a globally recognised company empowering clients to outpace competition through innovative digital excellence.

### Our Goals

Drive innovation, ensure client success, foster growth, deliver excellence, and uphold integrity in every digital solution we provide.

# Unmatched Global Reach, Proven Excellence

ELEVATE YOUR BUSINESS WITH

## Cutting-Edge Digital Marketing and Custom Software Solutions

In addition to our software development prowess, we excel in digital marketing. Our expert team leverages cutting-edge strategies to enhance your online presence, drive targeted traffic, and boost conversions. From SEO and content marketing to social media and PPC campaigns, we offer comprehensive solutions to elevate your brand and achieve your business goals.

With our extensive IT expertise and skill sets, we specialize in building custom websites, web applications, and mobile applications. Trust MOS to be your partner in digital transformation, helping you achieve success through innovative technology and strategic marketing.

# FROM VISION TO VICTORY: OUR SUCCESS STORY

**2018**

The journey of Mostech Business Solutions commenced in 2018 with a handful of creative minds coming together in the vibrant city of Kannur. From the very beginning, our vision was clear – to revolutionize the business solutions landscape with innovative ideas and cutting-edge strategies. Our initial steps were taken in the iconic KVR Tower, where the foundation for future success was laid.

**2021**

A significant milestone in our growth unfolded in 2021 when we established our presence in the global business hub, Dubai - UAE. Setting up our headquarters in the prestigious Business Bay marked a strategic move to position ourselves at the heart of international commerce. This expansion allowed us to tap into a diverse market and cater to a broader spectrum of clients.

**2023**

Building on the success of our Dubai venture, 2023 saw Mostech Business Solutions extending its reach to the Middle East. We ventured into Qatar, Oman and Saudi Arabia, recognizing the immense potential in these dynamic markets. This expansion not only solidified our regional presence but also showcased our commitment to providing top-notch business solutions on a global scale.

# OUR PRESENCE

**Mostech** operates across the **MEA, India, and UK regions**. With a robust marketing network, the company has built a strong presence in key markets, ensuring extensive reach, sustained growth, and meaningful influence across its operating regions.

- India - Kannur (HQ)
- UAE - Dubai
- KSA- Riyadh
- UK - London
- Oman – Muscat
- Qatar – Doha

# CEO'S MESSAGE

At Mostech Business Solutions, our journey began in Kannur in 2018 when I took the step to establish this company with a small team of four passionate youngsters and tech enthusiasts. With my background and experience in the banking sector, I aimed to create not just a business, but a platform where innovation, reliability, and value-driven solutions could thrive. What started as a modest dream has now grown into a dedicated family of 25+ professionals, each committed to excellence and innovation.

In 2021, we expanded our footprint to the UAE, and today, Mostech proudly maintains a presence and representatives across the GCC. With more than 1,000 projects successfully delivered to over 1,000 satisfied clients, our story is one of vision, persistence, and trust. As the Founder and CEO, I remain deeply committed to leading this journey forward—empowering businesses with cutting-edge technology while building strong and lasting relationships that extend far beyond solutions.

**Ayoob K A**

Founder & CEO,

**Mostech Business Solutions**
